#### United States Department of Agriculture Rural Development State of New Mexico

April 22, 2011

Mr. Roberto Nieto, Chairman Mesquite MDWCA c/o Lower Rio Grande PWWA 325 Holguin Road Vado, NM 88072-7220

Re: Notice of Unfavorable Action - Mesquite MDWC & MSWA USDA, RUS - Wastewater System Improvements

Dear Mr. Nieto:

As required by Departmental Regulation Number 2230-001, dated April 21, 2009, review of Agency loan and grant funds not expended within five years of obligation requires review for validity. Reviews of unliquidated obligations are necessary to properly report obligation balances, certify the validity of obligated balances, make funds available that otherwise would not be used, reduce the risk of misuse and theft of funds, and improve the Treasury Department's ability to forecast outlay and borrowing needs. Therefore, after careful consideration, USDA, Rural Development is unable to take favorable action and intends to cancel all funds not disbursed for the subject project, and we suggest that you find alternative financing for this project, if necessary.

As you are aware, the Letter of Conditions issued to Mesquite MDWC&MSA by this Agency on July 2, 2003 expired on September 29, 2003. On July 2, 2003, the applicant signed the Letter of Intent to Meet Conditions which advised them of their deadline to meet the conditions was September 29, 2003. However, our office has granted numerous extensions to meet the conditions. The Letter of Conditions included the criteria and conditions under which the funding was to be disbursed. As of this date, the Association has not met conditions and consequently USDA has been unable to release the funds to construct the water system, which is the purpose of the funding.

You agreed by accepting the conditions, within the Letter of Conditions, that if they were not satisfied by September 29, 2003, Rural Development reserved the right to discontinue the processing of the application.

### ATTACHMENT TO LETTER NOTIFYING CUSTOMERS OF AN ADVERSE DECISION THAT IS APPEALABLE

The decision described in the attached letter did not grant you the assistance you requested or will terminate or reduce the assistance you are currently receiving. If you believe this decision or the facts used in this case are in error, you may pursue any or all of the following three options.

#### Option 1 - Reconsideration

If you have questions concerning this decision or the facts used making it and desire further explanation, you may write this office to request reconsideration. There is no cost for reconsideration. This written request must be received no later than 15 calendar days from the date of the attached letter. You must present any new information, evidence and/or possible alternatives along with your request. You may also bring a representative or legal counsel with you to any meetings that may result from your request for reconsideration. You may skip this step in the informal process and select one of the following two options. If you do, you will automatically waive your right to reconsideration.

#### Option 2 - Mediation/Alternative Dispute Resolution

You have the right to request mediation or other form of alternative dispute resolution (ADR) to resolve the adverse decision. The request to use mediation or other form of ADR may be made at any time prior to a formal appeal hearing. A request to exercise this option to settle the dispute on the denial will stop the running of the 30-day period you have to request an appeal. If you request an appeal, and, prior to the appeal hearing, decide to request this option, you have waived your right to an appeal hearing until after conclusion of mediation or other ADR; however, you have the right to an appeal hearing within 45 days of the conclusion of mediation or ADR. You may have to pay for the cost of mediation or ADR. Rural Development will participate in this mediation. If you want to request mediation or need information to assist you in deciding whether to mediate our decision, you should contact the Rural Development State Director indicated below. You must request mediation in writing within 30 calendar days of the date of the attached letter. Once you request mediation, it stops the running of the 30-day period in which you may request an appeal (described in Option 3). If mediation does not result in resolution of these issues, you have the right to continue with a request for an appeal hearing as set forth in Option 3.

When mediation is concluded, you will be notified of the result and the number of days remaining to request an appeal, if applicable. If you request mediation prior to filing for an appeal, the number of days you will have to request an appeal will be 30 days from the adverse decision minus the number of days you took to request mediation. Mediation does not take the place of, or limit your rights to, an appeal to the National Appeals Division (NAD); however, a NAD appeal hearing would take place after mediation. You

may skip mediation and request an appeal hearing. However, in doing so, you will automatically waive your rights to mediation.

Your request for mediation must be sent to:

Rural Development State Director Address:

G. Mike McDow USDA, Rural Development Attn.: Rural Business-Cooperative Service 6200 Jefferson St. NE, Room 255 Albuquerque, NM 87109 (505) 761-4953

#### Option 3 - Request an Appeal

You may request an appeal hearing by the National Appeals Division (NAD) rather than reconsideration or mediation. There is no cost for an appeal. Your request for an appeal must be made no later than 30 days from the date you receive the attached letter. You must write the Assistant Director, NAD, for your region at the following address:

National Appeals Staff, Area Supervisor 755 Parfet St., Suite 494 Lakewood, CO 80215-5506

The request for NAD hearing must state the reasons why you believe the decision is wrong, be personally signed by you and the borrower, and must include a copy of the attached letter. A copy of your request must also be sent to the Rural Development State Director at:

G. Mike McDow USDA, Rural Development Attn.: Rural Business-Cooperative Service 6200 Jefferson St. NE Albuquerque, NM 87109 (505) 761-4953

You have the right to an appeal hearing within 45 days of the receipt of your request.

You or your representative or counsel may contact this office anytime during regular office hours in the 10 days following the receipt of your request for a hearing to examine or copy relevant non-confidential material in your file. Photostat copies will be provided in accordance with the Freedom of Information Act. Your representative or counsel should have your written authorization to represent you and review your file.

The NAD Hearing Officer will contact you regarding a time and place for the hearing. You may also request a teleconference hearing in lieu of the face-to-face hearing. At any

time before the scheduled hearing you may also request that the Hearing Officer make a decision without a hearing. If you do, the Hearing Officer's decision will be based on the Rural Development file, any written statements or evidence you may provide and any additional information the Hearing Officer thinks necessary.

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age (providing that the applicant has the capacity to enter into a binding contract), or because all or part of the applicants income derives from any public assistance program. U. S. Department of Agriculture regulations provide that no agency, officer, or employee of the United States Department of Agriculture shall exclude from participation in, deny the benefits of, or subject to discrimination any person based on race, color, religion, sex, age, handicap, or national origin under any program or activity administered by such agency, officer, or employee. The Fair Housing Act prohibits discrimination in real estate-related transactions, or in the terms and conditions of such a transaction, because of race, color, religion, sex, handicap, familial status, or national origin. If an applicant or borrower believer he or she has been discriminated against for any other reasons, that person can write the Secretary of Agriculture, Washington, D.C. 20250. Applicants also cannot be denied a loan because the applicant has in good faith exercised his or her right under the Consumer Credit Protection Act. If an applicant believes he or she was denied a loan for this reason, the applicant should contact the Federal Trade Commission, Washington, D.C. 20580.

RE: Notice of Unfavorable Action-Mesquite MDWC&MSWA Wastewater Improvements Project

Dear Mr. Hudson:

I would like to request a meeting at your convenience to discuss "Reconsideration" of the Unfavorable Action. The LOC is scheduled to be completed and submitted to the USDA RD Albuquerque Office this week. Many of the delays over the past years have been for reasons we had no control over. This includes the rejection of the project recommended alternative and sequence studies and requirements of external agencies and organizations. This coupled with the circumstances surrounding the transfer of our project files from the USDA RD Las Cruces Office to the Albuquerque Office have impacted our ability to meet the schedule

Piense contact Martin Lopez, our General Manager to schedule at (575) 571-3628 or emot but at martin.lopez@drgauthority.org

Thank you in advance for your consideration!

Roberto M. Nieto, Chairman Lower Rio Grande PWWA

I'M NIS

 Martha Torrez, Director Community Services Leny Branner, State Director

#### LOWER RIO GRANDE PUBLIC WATER WORKS AUTHORITY 3/2/11 BOARD OF DIRECTORS MEETING PROJECTS REPORT

#### **Authority Construction Projects:**

Mesquite Wastewater Project – Gannet Fleming– final design/closing - RD: Engineer had been reporting that the Opinion of Counsel RE: ROW was the only document necessary to complete the LOC notebook, but advised Martin on April 4<sup>th</sup> of several other items that were lacking including a title policy. On 4/25/11, we received a "Notice of Unfavorable Action on RUS Funding" informing us that they intend to stop processing our application because the LOC has not been met and advising us how to appeal that decision. At this point, all of the documents to complete the LOC have been sent to the engineer, and we have requested that USDA-RD reconsider. \$1.1 million funding shortfall has not yet been addressed.

La Mesa Water System Improvements – Molzen Corbin – final design/closing - RD: Plans & Specs are at 75% completion, ROW & easements are at 100%. NMED-DWB approved constructions documents on 4/2/11. Received letter from George Scott (RD) requiring some changes to the specifications, engineer will complete and submit asap, local RD office will forward LOC notebook to regional office, then ETA is four months. Engineer reviewed gas chlorination codes with staff, OM met w/County Fire Marshal and got waivers for some of them, staff met w/engineer again on 4/21/11 and design is being finalized based on that meeting, GM is sending letter to Molzen regarding the codes waived.

Mesquite/Brazito Sewer Project – Vencor – planning – CDBG/SAP: USDA-RD engineering services agreement in place, state contract submitted to NMED-CPB approved 4/4/11. Funding application is pending. Remaining SAP funds are being used for preliminary engineering. PER, Sewer Model & EID are in development.

Mesquite/Brazito Water Emergency Water Interconnect & Supplemental Wells – prelim. Planning: Vencor has a preliminary map, GM may have an update

#### Authority PERs/EAs/40 Yr. Water Plan:

**Authority Interconnect & Looping Ph. I PER – prelim. planning:** CDBG Planning Grant Application submitted thru SCCOG 3/16/11, entering into Engineering Services Agreement pending authorization from DFA.

Berino & Mesquite/Del Cerro combined Project – funding app./design – RD/WTB: PER/EA – RD approval obtained, & NMED approval received. USDA-RD WEP Application documents for project funding application submitted 2/18/11 for \$5,434,952 (\$6,003,979 total project cost), response from Ms. Alarcon @ RD on 3/22/11 indicated the need for average monthly user cost of \$46.50 and proposal to fund the project with \$2,105,000 loan (3.375%/40yr. - \$7,999/mo.) +

\$3,329,952 Colonias Grant. USDA-RD is processing our application, and we also presented this project to the NM Water Trust Board on 4/20/11, should know something by end of month.

Design for Del Cerro is 90% completion of plans & specs, Design for Berino is at 80%, est. completion for 4/30/11. Submittals to NMED, DAC, EBID & NMDOT anticipated by 4/30/11. 98% completion of pipeline easements, remainder under negation w/property owners.

**Forty-Year Water Plan – CE&M – complete:** pending NM-OSE comments/approval. Followed up w/Cheryl Thacker, NM-OSE, she is following up w/Santa Fe.

Return Flow Credit Plan – CE&M – GF work in progress: Strap-on meter was finally delivered, OM is coordinating installation w/county staff. Ms. Perez no longer works for CE&M, we are terminating Engineering Services Agreement Amendment #3 with CE&M and doing a sole-source award to her company to get this task completed out of the General Fund instead of SAP funds.

#### **Individual MDWCA Projects under construction:**

Desert Sands Phase II-III Water System Improvements – Construction in progress: Project is complete, except for DS Well #3 Arsenic Plant conversion. AdEdge submittal for the retrofit has been received and reviewed, contractor has been instructed to proceed. 11 month inspection for the main project is set for 5/3/11 and Operations staff is detailing items to be addressed.

Mesquite Water Project – Gannett Fleming – Construction complete, pending close-out: Final disbursement request & invoices have been submitted to NMFA.

#### **LRG MDWA Projects:**

Castillo Rd - La Mesa/Mesquite Interconnect – CE&M – construction incomplete: All lines are complete and pressure-tested. All services are installed that could be included in the original budget. The bridge segment did not pass pressure test and will require repair/replacement. This issue is under negotiation with the contractor. Bridge section was not complete before water was released in the river.

**CE&M PER – draft complete, pending revisions:** PER was submitted to NMED-CPB for review on 1/21/11, 2/28/11 review letter from NMED – NOT approved, met with Mr. Deal on 3/31/11 to clarify his expectations, revisions have been submitted.

La Mesa Building (jointly funded by La Mesa & LGRMDWA) – Molzin Corbin – under construction - NMED - SAP08-3099, Colonias 09-3118: Old building has been demolished and new foundation completed. Project meeting was delayed to 5/2/11 due to scheduling issues.

#### Other projects:

Legislative Report for 2011 is final, submitted to GM w/bills signed by governor.

**Website** has been updated with a Customer Service page and an RFP/Purchasing Information page. Voting District map has been added to the Board page.

#### EBID Surface Water Treatment Plant – no update

#### **Lower Rio Grande PWWA**

#### **Operators Report**

#### May 4, 2011

#### System Problems and Repairs.

- (Berino Road project) Burns Construction is about complete. The subdivision is about Complete.
- Backflow inspections are current.(Mesquite District)
- Sewer tank inspections are current.(Mesquite District) well
- We are waiting on parts for the Seamen's SCADA.
- No Major problems with the Lower Rio Grande system.
- The La Mesa district had a total of 51 work orders.
- We are working on the continental system I will report the total amount of work orders completed next board meeting.
- We completed a valve vault on vado drive.

**NMED:** Monthly Bac-T-Samples will been taken next week for the Lower Rio Grande PWWA.

Mesquite district Wetlands: Monitoring well samples have been taken in April.

Chlorine: No problems with Chlorine this month.

**Reports:** Monthly well reports have been submitted to the State Engineers office.

**New installs:** We had one new service install in Desert Aire, Two in La Mesa, and five in Berino.

# Finance Report 5/4/2011

#### Financial Statement Overview

**Profit & Loss** for March-we ended the month with a profit of \$3,244 but if you look at the numbers for the quarter or year to date we are still at a loss.

Contract Services- we are still due \$ from La Union we met with them 5/4/11 and asked that they pay at least the minimum operations and maintenance fees for Jan-March (\$2,505) by Friday. They have held up payment because they wanted more information on their billing. I hope to have the information they want in a few days and hopefully we can get paid in full before the end of May.

Expenses- We have spent beyond what was originally budgeted for computers and software. Theses expenditures were crucial for moving forward with the merger. The new server has been ordered and we hope to have all offices linked and on the same billing system by the end of June.

**Balance Sheet-**No significant changes in the balance sheet, we will be paying off 2 more loans and NMFA has approved the refinancing of the others.

#### Misc. Finance Info

The Berino office has been selling DAC Trash Coupons like hot cakes.

Benita has settled into the Mesquite office with us and we have constant customer traffic from Vado, LaMesa, & Mesquite. It has been very busy and a little cramped in the Mesquite office but we have 3 of the 5 billing systems merged on to Continental Billing. Desert Sands customer data has been entered but we are waiting for the server upgrade before we switch them over. Berino's conversion should be the easiest since they are already on Continental.

We have received several responses from the RFP for Audit Services we need to submit our selection for IPA by May 15, 2011.

We are still working on various items related to the merger plan.
